

## About Us

[Learning Wings playschool](#) franchise is one of the leading preschool chains in India and has garnered many laurels nationwide for its early child development. It is a fun learning space for young learners who are preparing for lifelong learning in many centers throughout India. The seed of Learning Wings was sowed for 12 years. We have huge experience in running a successful preschool. During that time, we focused on the enhancement of children's skills because we believe brain development and holistic skills enhancement is necessary for children as without them children will never achieve their lifelong goals. Our alumni have become perfect and excellent students in higher education. The learning wings continue to grow daily, enriching the lives of [preschool](#) children across the count
